The English-Speaking Union
Naples Branch
Cordially invites you to the
Annual Meeting and Luncheon
Featuring our Guest Speaker
Mrs. M. Joy Gorence
“Anne Bonny, Mistress of the Seas”

The Annual Meeting and Luncheon wraps up another season of a variety of educational and social events. We will nominate and vote on a slate of candidates for next season’s Board of Directors, and we are pleased to feature our own board director, Mrs. Joy Gorence as our guest speaker.

When Joy Gorence was able to read, her father introduced her to the public library. Every Saturday morning, he would take her to the children’s section and let her choose a book to read. Her love for literature eventually led her to a teaching career for over 40 years. As a literature instructor on a sail-training ship, she became interested in the tales of the seas, which brought her attention to Anne Bonny. The story of Anne's life has taken on a fictional quality, and it is Anne's journey that Joy has been interested in defining since her retirement. Joy will enlighten us about the infamous life of Anne Bonny.

Please plan to attend and bring a friend who might be interested in joining the ESU. It’s a wonderful opportunity to introduce them to our organization and the benefits of membership.

Tuesday, April 4, 2023
